Welcome to Rakaia Medical Centre.

Before filling out the Enrolment Form(s), please read the document on immigration.

If you do not understand anything on the document please ring the Rakaia Medical Centre for advice on: 03 303 5002.

One Enrolment Form per person. Extra forms can be downloaded on the Rakaia Medical Centre website: www.rakaiamedical.co.nz or picked up from the Medical Centre.

Bring the enrolment form(s) to the Medical Centre so we can process them. Ideally this should be done prior to you needing a medical appointment.
