

Rakaia Medical Centre
caring for your health

Welcome to Rakaia Medical Centre,

Before filling out the enrolment form(s), please read the document on immigration called “Eligibility protocol for funded healthcare as per Ministry of Health”.

If you do not understand this document, please ring the Rakaia Medical Centre for advice on 03 303 5002.

Please fill in one enrolment form per person.

Extra forms can be downloaded on the Rakaia Medical Centre website www.rakaiamedical.co.nz or picked up from the Medical Centre.

Bring the enrolment form(s) to the Medical Centre, so we can process them. Ideally this should be done prior to you needing a medical appointment.
